

BTS Food Drive

“Let’s Spring into Helping our Community”

Bedminster Township School is hosting its annual food drive. Last year, we collected over 1,000 items. Let’s try to beat that number! To add a fun twist, the homeroom class with the most donations will enjoy a sweet treat!

Students can bring in items from **Monday May 6th through Friday May 24th.**

Your child’s name and homeroom teacher name must be on the bags dropped off to be included in the count.

Donations can be dropped off in boxes near the main office or room 262 (FCS room).

Together we CAN help to end hunger and have some fun!
